

Website

New features include:

- A broader membership focus including: industry, educators, volunteers, students, recovery, fire departments, ESS, etc.
- A reformatted deployment database;
- An advocacy section to share Emergency Management British Columbia (EMBC) updates
- A user-friendly member's profile where personal information and service directory entries can be updated; and,
- A reorganized tools & resources section to share documents with the rest of the membership

Members who have not yet visited the new website will have to utilize the 'reset password' function to obtain a new password.

Need more help? Use the 'contact us' form on the website or send us an email.

Join us on Facebook to ask questions of members and share ideas and information.

Service Directory

BCAEM offers an online service directory that is intended for emergency managers to access a list of consultants, instructors and suppliers in the emergency management field.

Members who provide consulting, training or supplies and wish to include their information on the BCAEM website will pay \$75 to be included in the Service Directory.

Visit BCAEM.CA for more information.

What is BCAEM?

The BC Association of Emergency Managers (BCAEM) was formed in 2007 to support emergency management professionals in their efforts to enhance emergency management initiatives in British Columbia.

The Association accomplishes this by providing and maintaining resources that support emergency management professionals to build comprehensive, integrated and effective emergency management programs.

The Board is comprised of volunteer Directors who provide strategic guidance to the Association, through information exchange, committee leadership and Association management.

Current Projects & Initiatives

MEMBERSHIP

- Increase membership by actively promoting the benefits and value of the Association as a source of information and connectivity to the Emergency Management community in BC.

KNOWLEDGE

- Encourage cooperation and knowledge sharing between all parties and stakeholders involved in emergency management activities in BC.

LIAISON

- Collaborate and network to identify and share membership perspectives and lead advocacy on local, provincial and federal emergency management related interests, issues and concerns

Why Join BCAEM?

Membership provides affordable access to valuable networking, discussions and online resources.

BCAEM Members:

- Are part of a network of BC Emergency Management professionals representing all levels of government, First Nations, academia, students, and the private sector
- Have opportunities to contributing to advocacy efforts to influence the profession and practice of EM in BC
- Contribute to and have access to shared EM resources, member forums, and professional development opportunities
- Receive a group discount rate conference fee for the BC Emergency Preparedness and Business Continuity Conference
- Have the option to become a CRHNet Affiliate Member at a discounted rate
- May register for the BCAEM deployment database to access opportunities to assist in emergency responses across BC
- Have access to the member's side of the BCAEM website, including: templates, publications, presentations, educational information, employment opportunities, and access to the deployment database; and
- Can contribute to emergency management community through publication of written articles on the Association website.

Join an extensive network of professional emergency managers and enhance your knowledge, stay current with emerging trends, and contribute to the evolving field of emergency management.

Join Today!
