

Community Recovery

Building a community of practice through information & resource sharing

Funding Considerations for Community Recovery - *Sources, Resources & Accessibility*

Panelists will be discussing:

- Sources: information and examples of funding and supports for communities*
- Resources: grant writers - challenges and successes*
- Accessibility: challenges and successes in accessing recovery funding/resources for vulnerable populations*

Wednesday February 10 from 130- 230

Cost: Free, with registration.
